

Letter of Recommendation (Short-Term Internship)

Date: 30/09/2025

To Whom It May Concern

It is a pleasure to write this letter in support of Ms. Ananya Pathak, who recently completed a 12 weeks internship with us at Kavin India Pvt Ltd in the AI using Python', 'Web Development using React.js' and 'Full stack Development using DotNet' from 19/05/2025 to 10/07/2025. Though the duration of the internship was brief, she made a lasting impression through their consistent dedication, sharp learning abilities, and strong technical curiosity. Whether it was learning new tools or contributing to team discussions, she demonstrated a mindset that went beyond that of a typical intern.

During the internship, she worked on tasks involving and showed the ability to adapt quickly to our development practices. One of the things that stood out was her ability to grasp complex topics in a short amount of time, a trait that is especially commendable in a fast-paced IT environment.

We truly appreciated the energy and fresh perspective that she brought to the team, and we are confident that she will thrive in any future academic or professional opportunity.

Warm regards,
Mr. Hemant Nande
Technical Head
Kavin India Pvt. Ltd.

TECHNICAL CO-ORDINATOR
